

San Antonio Christian School's FACTS School Management Software gives you, a busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet! Formerly RenWeb, FACTS Family is the new name for the same program. FACTS Family Online is also the new name to replace what was previously called ParentsWeb. Functionality remains the same with ongoing improvements all the time!

FACTS Family is a private and secure website that has been set up for our school to allow you to see complete information specific to your child. You can view your child's schedule, grades, progress reports, homework, resource documents as well as the full family and staff directory. School Calendar, Report cards, re-enrollment and FACTS tuition management are also accessed via **FACTS Family**.

Note: This guide is being updated to reflect the name change from RenWeb to FACTS. We will update screenshots and names soon. In the meantime, instructions are still usable.

General FACTS Family Organization

The FACTS Family system is organized into four main content areas, visible in the menu system on the left of every page.

Clicking on any one of those four menu items will expand that menu item and show you additional choices in each area.

General FACTS Family Organization (continued)

The menu items you see visible may differ from these screenshots depending on the features that are turned on at that particular time.

Let's explore each section in more detail on the following pages.

<u>1. School Information Menu Items</u>

The School Information area of ParentsWeb has information and resources related to the entire school community and the student's classes.

School Home takes you to the landing page for FACTS Family. On this initial page, you can see the school-wide Announcements, Today's and Tomorrow's Events tabs (from the school calendar of dates and events), and Dates to Note (which lists holidays and half days that affect the school schedule). When you click on one of the announcements, additional information about that announcement is displayed.

| Schedules | |

Student Home takes you to the Student Information Summary page. On this page, you can see a listing of all of classes and current class grades. Clicking on the classes from here will take you to the same individual class site which we learned about earlier in this document.

Grades takes you to a summary of the gradebook for a specific class. You select the class by using the pull-down menu and then clicking the View Grade Book Report button. The report shows the averages for each category the teacher has defined, as well as the individual assignment details.

Schedules is where you can view and print a copy of a student's schedule. Please click on the icon to view and print the schedule.

There is also a **Report Card** section where official school report cards will be made available during the year. The report cards are printable if you wish to have a hard copy. recommend printing out a report card for your records.

3. Family Information Menu Items

The Family Information area of FACTS Family is where information about students and parents resides. You can consider this area your account management area. You can change your username and password in this area, and you can also check your family information to make sure it is correct and up to date by selecting **Web Forms** in the Online Filing Cabinet.
