Community Service Report

“...whoever wishes to be great among you must be your servant, ... just as the Son of Man came not to be served but to serve, and to give his life a ransom for many.”

Matthew 20:26b, 28 (NRSV)

Our Lord Jesus set as an example the principle of service. In light of His example, the SACS family requires its students to perform a minimum of 96 Community Service hours which is work done for the good of others, without personal gain. Activities chosen must meet the school guidelines (listed in the Student/Parent handbook) to meet your service hour obligation. If you are in doubt as to the validity of an activity, check with the High School Office before performing the task. For more information about service hour requirements, see the Student Handbook or click [HERE](#) for a quick look.

A separate form must be used for each separate student and each separate activity. Fill out the entire form and present it to the activity Supervisor for verification. No form is valid without a signature, date, and phone number. The Supervisor MAY NOT BE A GUARDIAN OR FAMILY MEMBER. After the form is signed, turn it in to the HS office. Please make a copy to keep for your own records before turning it in.

This form is to be filled out by the student. PLEASE PRINT LEGIBLY.
