

SAN ANTONIO CHRISTIAN SCHOOL

Above & Beyond

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen" - Ephesians 3:20-21

**ANNUAL REPORT
2021-2022**

Chairman's Message

"And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him." -Colossians 3: 17

THANK YOU to everyone who donated to the Above and Beyond Annual Fund this year! We raised a record-breaking amount, based solely on your generosity. Your donations have richly blessed our beloved school and have helped provide for additional projects outside of our daily operating costs. The lives of our students are enriched because of your love and financial support. I see firsthand the experience that my children (both current students and alumni) have had within the walls of San Antonio Christian School. I praise God for the faithful support from our families to the Above and Beyond Annual Fund.

Sincerely,

Megan Leonard
Chairman, Annual Fund Committee

***"I will give thanks to you, Lord, with all my heart;
I will tell of all your wonderful deeds." - Psalm 9:1***

To our Donors,

It is with humble and deep gratefulness that I say "Thank you!" Your donations to the Above and Beyond Annual Fund, The SACS Foundation, The Lionbackers Booster Club, and The 4H Program provide a top-tier, unparalleled experience for our PK-12 Students and their families. Our donors are comprised of current families, former families, alumni, grandparents, and even anonymous donors with no direct connection to SACS, other than God calling on them to donate. Each and every donation is appreciated and makes a difference in San Antonio Christian School. The Lord continues to bless SACS in every way imaginable, both in ways tangible and intangible. His protection and provision of our beloved school is our richest blessing. May God continue to be glorified by San Antonio Christian School, and may He bless each of our generous donors immensely. To God be the glory!

Best Regards,

Lydia Adams
Director of Development

Annual Fund Support Makes These Blessings Possible

An Individual donor gave over \$30,000.00 to the SACS HS Cinema program. He was drawn to our beautiful institution of Christian education and wanted to fund God's creative work through our students!

High school students received new cameras and hard drives for their cinematography course this school year.

SACS families contributed \$283,492, which provided for the down payment for the newly acquired land.

The current SACS campus is visible from the newly acquired property. The property is already being used for parking, and SACS families have shared with the Development Office what intention they would like to see the property used for. God has exciting plans in store for this property he has blessed us with!

Safety upgrades were made throughout the entirety of our campus.

Limestone blocking and designated law enforcement parking was created around the football field and along the road.

Portables were updated with fresh paint.

High School family donated funds for softball field safety net.

Tennis courts were resurfaced and freshly painted.

Designated contributions provided a class hedgehog for first grade. This is integrated with the first grade science curriculum, which teaches our children about the animals God created on the 6th day.

The sunshade was also purchased with Annual Fund contributions designated for the elementary school.

The generous financial support to our band program provides new instruments each year.

Middle school students practice during band class.

SACS 4H Chapter Provides Additional Resources

SACS 4H Chapter raises funds throughout the year to participate in local and state level competitions.

Second Annual Henderson Excellence Award

SACS Alumni Hannah Henderson created a yearly fund that awards one senior per year with a scholarship for the college of their choosing.
